

# Be a super WESTIE through confidence!

Being confident helps you **be successful**.

Not being afraid to make mistakes helps you **to learn**.

Trying something new helps you **make connections**.

Doing hard work by yourself helps you **become more confident**.

## Ways you can be confident at school:

- Believe you will be successful
- Know it is OK to make mistakes
- Know that it is good to try something new
- Try really hard when work is difficult
- Stand up straight and speak with a firm voice
- Share information that you know about
- Share a new idea with teacher or class
- Start a conversation with a new classmate
- Raise your hand to answer a hard question
